**ASSOC. VICARS MESSAGE**

Dearly beloved in Christ,

As far as the Orthodox Calendar is concerned, the month of November commences with the Sanctification (Kudos Edhto) of the Church, indicates a fresh start of a Season, which will continue till the Easter. The Sunday that comes on or after October 30th is called KoodhoshEetho (Sanctification of Church) Sunday. It is the beginning of the church calendar.

First of all we need to know what the Church is and why it should be sanctified. Church, according to St. Paul, is the 'Body of Christ' (Romans 12:41 ;21-Cor 6:15; 12:12ff). Church is also called the 'temple of God' (1Cor 3:16). This Church belongs to God. A temple is the abode of God and therefore it must be holy. Here St. Paul reminds us all that individual believers and the collective body of believers is the members of Christ's body.

We separate certain places/things for certain uses. We give due regards to our place of worship. It must be clean. As group or individuals this cleanliness has to be spiritual, physical, moral and ethical. This is a God-given requirement: "You shall be holy; for I the Lord your God am holy". "Consecrate yourselves therefore, and be holy; for I am the Lord your God. Keep my statutes, and do them; I am the Lord who sanctifies you" (Lev.19:2; 20: 61 ;8- Peter 1:15).

In short, Church is the body of Christ and not merely an association or incorporation of people. Christ sanctified her by His sacrifice and continues with the sanctification process. We shall maintain that sanctified status by following the word of God in our individual and collective responsibilities. In other words, we have to follow a sanctified behavior pattern. It is not merely our adherence to a faith that matters but our new behavior.

Now let us look what does this sanctification mean precisely to us? As individuals and as a body of believers,

we have to examine our lives and mission. Where are we with our mission? Christ did not send us to the world to make enemies but to make friends and disciples. Our mission is not political but moral and spiritual.

As the season embarks it has a special significance with the Feast of our Patron Saint, St. Gregorios of Parumalawho has given all round dimension of the spiritual fervor what humanity is all about. Let us spiritually spin a web around us to overcome all inadequacies in our life. Let his intercession be a strong hold for us.

This month is also special, in terms of Remembrance of H.G. Dr. Stephanos Mar Theodosios of Blessed Memory, the first Metropolitan of Calcutta Diocese, who will always intercede for us. A character full of self-effacement and humbleness has shown to the world what impartial human labor is.

May their prayers be a stronghold and fortress for us in the days to come.

Let this KoodoshEetho (QddoshEetho) Season be a renewed blessing to all the Parish Members as we embark on a journey to the Nativity of Jesus. Along with our body which is sanctified let our hearts be renewed to give birth to our Savior and Lord. May it be transformed in to a manger so the Nativity takes place within our heart. May Almighty God bless us all. Let us work closely, by putting away our differences to glorify His name through our words and deeds with the help of His Holy Spirit. Amen!

Fr. Jacob Thomas  
Associate Vicar
