

Visiting Clergy's Message

**Oh God! We are the Clay,
You are the potter**

Fr. Mahesh Thankachan
(Asst. Vicar, St. Peter's & St. Paul's Church,
Kolenchery, Kerala, India)

Today everybody seems to be going on with their busy and speedy lives. All are very busy with their jobs and business. So today mostly parents do not even get time to spend with their family. They are not getting time to talk with their kids. On the other side kids of many families are interested and addicted to television, computers, mobile phones and tablets. It seems everytime they are sitting in front of computer and television. So children are not interested in praying, reading bible, going to church and Sunday classes. The parents should understand that they are going away from God. A feeling that disconnected from God. This feeling of heavenly disconnection or distance leads to several problems and damages, especially in their action, attitude, behavior and also in their studies. Without God you are a "Zero" with God you are a "Hero". This passage teaches us that "life without God is Zero" and "All of our struggles will balance out to Zero". God in the shortest distance from 'Zero to infinity'. So if you want to be a hero trust in God and you will be surrounded by His presence in your everyday life. Give yourself to God. Allow God to work in your life. Then only He can mould you. God is the potter and we are the clay (Isaiah 64:8). He will mould us into His image. We should allow God to mould and shape into a beautiful vessel.

As we all know before clay can be put upon the wheel, it should have to be properly and correctly prepared. It has to be soft enough to adapt to change, and also firm enough not to collapse under any type of pressure. Just like the clay before changing or molding as into

His image there are some preparations have to be occur. We just need is brokenness. Brokenness makes us to run to the mercy seat of God and ask for help to be better. We have to be properly centered in Jesus Christ before God can start to mould and shape us.

Today God invite you and me to His moulding wheel. We are the clay. We are not perfect, we are flawed. You and me are imperfect. But the truth is that God can mould imperfections to perfection. Only God can change us into perfect clay, and can mould us into His image. He created us, He owns us, He gifted us with talents and every blessings that we receive comes from Him. The transformation from dust to clay and then to a beautiful pot which is filled with treasures of spiritual thoughts and behavior is the goal of God's creation and of course out of eternal love because "Love is God" and "God is Love".

In Galatians 1:15 says "But when he had set me apart, before I was born and who called me by his grace". Think about God's love, compassion, patience and care, and trust him and give yourself to Him. As far as God is concerned, we should all be spiritual kids permanently. Transfer our ownership to God; give your rights and expectation to God. When you surrender your expectation to God, you will have a new freedom to rejoice in all circumstances. He is always able to work things together for good in your life.

- Thank God for whatever happens
- Yield rights to God
- Transfer ownership to God
- Recognize that all belongs to God

May the ten days OVBS will help our kids, teachers, parents and all members who work behind this to strengthens their characters and help them to grow in God's grace. Children all a gift- an amazing blessing from God. God has given parents the responsibility to teach your children the ways of God. Parents should ask the Lord to show you how he or she needs to be blessed. Let us pray that the messages and songs of the OVBS help our kids to stay touched with God and remain close with God. Also let them strengthen the faith in God.
