VICAR `S MESSAGE

Easter is preceded by the Ascension of Jesus. The centrality of the festival of Easter gives us Joy, Hope and Peace.

The whole of the world is overjoyed after three days of gloominess and sadness that dispensed around the disciples and the whole of the multitude that loved and followed Jesus. Their joy had no limits and as they were filled with new vigor and strength.

Disciples after following Jesus for three years found themselves in desolation. They lost their expectation which was restored through the Resurrection, which boosted their courage.

St John 20:19 gives us a new dimension "peace" which is initiated from the Re appearance of Jesus to the world. May this new found joy, hope and peace fill in our hearts to move ahead in all dire circumstances.

The ascension of Jesus is the departure of Christ from Earth into the presence of God. The biblical narrative in Chapter 1 of the Acts of the Apostles takes place 40 days after the resurrection: Jesus is taken up from the disciples in their sight, a cloud hides him from view, and two men in white appear to tell them that he will return "in the same way you have seen him go into heaven." In the Christian tradition, reflected in the major Christian creeds and confessional statements, the ascension is connected with the exaltation of Jesus, meaning that through his ascension, Jesus took his seat at the right hand of God: "He ascended into heaven, and is seated at the right hand of God the Father Almighty. Through this Ascension of Jesus, may we be also reach new heights of spirituality that we have attained in all these days of fasting and prayers.

Let me also bring forth a word of appreciation for the newly instated Managing Committee who has managed the affairs of the Church in adverse situation during the Passion Week. We were able to stand up and deliver when it mattered most. There were shortcomings but to move ahead and learn lessons out of it. Let Joy, Hope and Peace prevail in all of us.

God Bless,
Yours in Christ
Fr. Jacob Thomas
